TEMPLE AMBLER ARBORETUM & THE PENN STATE
MASTER GARDENERS PRESENT A

## SPRING INTO GARDENING WORKSHOP

Saturday, March 30, 9:00AM - 12:00PM Temple University - Ambler Campus

This hands-on workshop is designed to help new and beginning gardeners (or veteran gardeners looking for new ideas) get excited for spring. The morning will feature three presentations and activities:

Gardening 101: Plant Types and Care
Make-Your-Own Mosaic Pot
Quick-and-Easy Tabletop Greenhouses

Each participant will get to create and take home their own mosaic pot and tabletop greenhouse and will leave with the confidence and energy to start their gardening season.
